PORTFOLIO

YADAV BABU

ABOUT ME

I am a passionate Civil Engineer with a strong interest in Building Information Modeling (BIM) and architectural visualization. Skilled in creating precise CAD drawings and realistic 3D models using Revit, AutoCAD, and 3ds Max, along with high-quality rendering using V-Ray, I focus on delivering accurate, functional, and visually compelling design solutions. My strengths include BIM modeling, technical drafting, and producing detailed visual presentations that effectively communicate design concepts. I am eager to begin my professional career in a dynamic environment where I can apply my technical expertise, creativity, and commitment to contributing to real-world civil engineering and BIM projects.

EDUCATION

2025-2026 Diploma in Interior and Exterior Designing
Planners Group, Calicut

2022-2025 Diploma in Civil Engineering
M DIT polytechnic college

2020-2022 Vocational higher secondary(science)
GVHSS Koyilandy

SOFTWARE
SKILLS

- **Auto CAD**
- **3DS MAX**
- **BIM Architecture**
- **Revit**

MOSQUE

The mosque design features a striking avant-garde facade with soaring, pointed arches and intricatecalligraphic latticework, complemented by unique cylindrical minarets. Its bold, expressive geometry and expansive floor plan blend modern artistic flair with traditional spiritual purpose, creating a landmark that is both visually captivating and functionally grand.

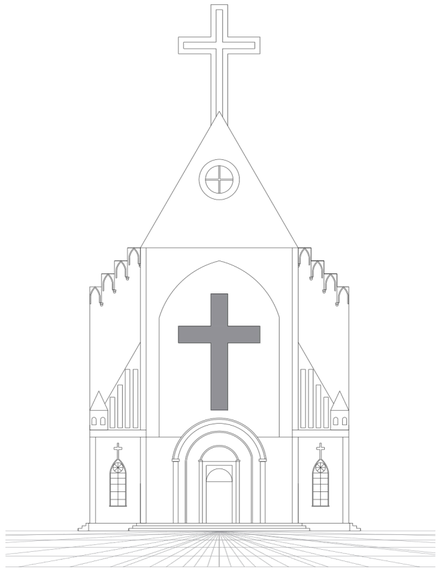
TEMPLE

This temple design reflects traditional Kerala architectural heritage, featuring a distinctive multi-tiered sloping roof finished with clay tiles and decorative gables. The structure is characterized by its horizontal emphasis and timber-inspired detailing, which harmonize with the natural environment. The square floor plan and courtyard-centric layout are meticulously designed to facilitate ritualistic circumambulation, balancing ancient Vastu principles with a sense of peace and timelessness.



ELEVATION

PLAN
SCALE - 1:100, ALL DIMENSIONS ARE IN CM

CHURCH

This church design features a dynamic, multi-tiered roofline anchored by a central soaring spire and an ornamental crucifix. The integration of arched windows and a standalone bell tower provides a blend of classical and contemporary ecclesiastical styles. The use of a bold color palette and varied structural heights creates a vibrant and welcoming presence, while the organized floor plan ensures a spacious and solemn atmosphere for worship..
